Summer Employment!

Are you looking for part-time or full-time work this summer?

Here are 5 reasons why you should apply for a job within the horticulture industry

Potential Earnings \$\$

Entry-level jobs in horticulture typically start at minimum wage. It is often easy to move up the pay scale in the horticulture industry.

\$15.20/ Hour

Opportunities

There are hundreds of jobs for all skill levels in horticulture. Learn while working; many companies offer on-the-job training! The opportunities to enhance your skills and build a career are endless.

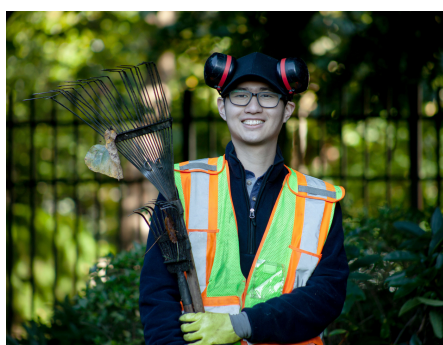

Variety of Work

Working in horticulture is vastly different from a desk job. If you typically get bored with repetitive tasks, horticulture can be the career for you. Never be bored as there is a lot of variety in daily tasks. In some sectors, there might be a new job site each day!

Work Available

In the horticulture industry, never worry about finding a job. Multiple companies are hiring year-round but even more so in the summer during harvest season.

Work Outside

Enjoy the fresh air and sunshine while getting paid! This industry supports the environment; plants naturally clean the air, trees offer shade and cooling.

Bonus: Working in horticulture can help with staying fit. No need for a gym membership!
