Mainland Floral Distributors in Aldergrove is currently taking applications for a sales/shipping position that we have available.

Ideally you have been working in the floral industry before, and are familiar with the product, we are however willing to train the right individual. We are looking for an energetic, motivated individual that will not shy away from the challenges the floral industry sometimes will impose. You have an optimistic look at things, and are willing to go the extra mile for the customer.

This position is from Monday to Friday, with shifts on Tuesday and Fridays ending at approximately 7PM and some work on scheduled Saturday mornings to accommodate our shipping schedule. You should have a thorough knowledge of plants and cut flowers, have excellent phone manners, and be familiar with email and working on spreadsheets etc on computers.

We offer a steady work environment, competitive wages, and company paid for benefit program after a three month probationary period. This is the ideal position for the person that wants to look after the customer's order all the way.

Please send a current resume, driver's abstract, and a hand written cover letter with your wage expectations via email or via fax at (604) 856-1273.

We look forward to invite qualifying applicants for a personal interview.
