February 8, 2018

United Flower Growers, 4085 Marine Way, Burnaby

Preview: 4:00 pm

Live Auction: 5:00 pm

Biggest Fundraising Event of the Year!

Please help support the BCLNA's biggest fundraising event of the year. Proceeds go toward the Jane Stock Foundation which will be offering up to three major scholarships in 2018; BC market development including the development of an online 'Buyers Guide', and a complimentary exam fee for a Landscape Industry Certified Technician.

Live Auction Format!

This year's auction will feature a great sample of quality plants grown by BCLNA nursery growers, along with supplies, services and equipment needed by landscapers, garden centres and wholesale nursery growers. A few smaller fun items, including plant and gardening items, will be featured in a silent auction.

Garner New Clients!

This event is a great opportunity to meet or showcase your plants and products to new buyers and fellow members. Buyers are looking for plants and trees in small, medium and large quantities. Or, consider providing a single sample of your donation(s) and have the successful buyer pick up the product – this gives you the opportunity to provide a private tour of your nursery/facility while showing them your entire product line...and the potential for future sales.

Donation Ideas

- Nursery Stock: small, medium or large quantities; a feature tree; a new or unique plant/tree
- Landscape Packages: a designer grouping of 9-15 assorted plants/trees
- Gift Certificates: for retailers and landscapers to select product/services at a later date
- Small tools and equipment, equipment rentals, soil, nursery pots, decorative pots, fertilizer
- Have a new product? Launch it at the auction!
- Fun Items! Ski passes, hockey tickets, resort accommodations, restaurant gift certificates, specialty wine/scotch...

Thank you for your generosity.
