Horticulture Nursery Sales Associate – specialty in Field stock

Specimen Trees Wholesale Nurseries Ltd., a well established, leading Wholesale Nursery in British Columbia is looking for a sales associate for our Nursery. Specimen Trees Wholesale Nurseries is a family based business with 50 years in the horticultural industry. Our nursery is over 250 acres in Pitt Meadows and Maple Ridge, BC. We grow and sell caliper trees, conifers and container grown plants into the B.C. market, as well as out of province, and have a strong, good reputation for quality and service across the country.

We are looking for a personable, dynamic, self-motivated individual to work as our Nursery Sales Associate. The successful candidate will be responsible for customer service sales, order tagging and generating sales in the local BC market with our existing customer base as well as expanding our prospects.

This full time sales position requires the ability to be an important member of the sales team, as well as work well with the outside crews and dispatch.

Ideally you will have:

A minimum 5 years experience working in the horticultural industry.

Must have ornamental tree identification skills.

A minimum of 2 years experience in horticultural plant sales.

Trained and/or experienced in effective selling techniques.

Enjoy working with customers on a daily basis.

Be result driven; have the desire to succeed and able to work independently.

Strong customer orientation and above average communication skills.

Enjoy working outdoors in the field, as well as indoors at a desk.

Strong organizational skills.

Strong computer skills

- Microsoft Excel, Microsoft Word, Microsoft Outlook and internet.

Attention to detail and deadline management.

Be familiar with inventory product and levels.

Good physical fitness. Must be able to lift up to 50lbs.

Fluent in spoken and written English.

Follow and adhere to all safety procedures.

Education:

Post Secondary Education – Degree or Diploma in Horticulture preferred.

Wage:

Wage will be determined by work experience.

Benefits package available.

This is an excellent opportunity for the right applicant. Please provide references with resume. Fax resume to 604-465-8100 or email to inquiry@specimentrees.com.
