

Do you want to be apart of an ever-growing company? Receive paid training and development opportunities? Work with a skilled team of Landscapers who are apart of a Lyons family?

**Lyons is an award-winning, locally owned, full landscape installation and year- round maintenance service provider!**

**We primarily work on large commercial and high-end residential projects, along with park and golf course development.**

**Your day-to-day responsibilities:**

- Install a variety of landscape features including retaining walls, paver walkways and patios, verti-block, planting of shrubs and trees, and installation of irrigation systems

- Operate skid steer and various sizes of excavators
- Operate hand and power tools safely
- Work on our snow removal team during the winter for year-round work

**What makes you the right fit?**

- Ability to operate equipment safely
- Valid driver's licence with a clear record
- Ability to lift up to 25 pounds
- Strong work ethic and attention to detail
- Willingness to work as a team and learn new skills
- Ability to use a phone or tablet for time tracking and emails
- Previous professional landscape installation experience required
- Previous experience towing a truck and trailer an asset
- Ability to operate a skid steer and excavator at an intermediate to advanced level required

- Ability to travel out of town (LOA and accommodations provided to you!)

**Perks to working with Lyons:**

- Paid training, growth, and development opportunities!
- Be apart of a team who appreciate one another
- Frequent company events and celebrations!
- Very competitive compensation package
- Extended health and dental benefits
- Life and Long-term disability coverage
- Team- based incentive program
