

IRRIGATION TECHNICIAN

Build a career with us!

Join our dynamic and innovative team where you truly come first! If you want a rewarding career with many opportunities to develop yourself, Lyons is the place for you.

Lyons is located in Kamloops, BC. This role would require being available to work in Kamloops and surrounding areas!

Our Lyons team always follow our 5 core values! This is what helps set us apart in our industry and make our team a great one:

- Pride in everything we do
- Ability to adapt
- Respect
- Results Driven
- We have fun

Do these core values align with yours? If so, we would love to hear from you.

Your day to day:

- Irrigation system maintenance, repairs, and troubleshooting
- Full residential and commercial irrigation installations
- Review irrigation structure and process and make recommendations on efficiencies or present new ideas
- Create irrigation estimates, designs, and maps as needed
- Irrigation blow outs and startups

Your Skills/Qualifications:

- Minimum 2 years' experience in full commercial and residential irrigation installations
- CIT Level 1 and 2 or equivalent preferred but not required
- Knowledge of both Poly and PVC piping
- Ability to problem solve and critical think
- Ability to prioritize tasks
- Ability to work efficiently and independently
- Ability to understand and follow irrigation plans
- Valid Class 5 driver's licence with a clear driving record
- Ability to drive a truck and enclosed trailer
- Strong work ethic and attention to detail
- Positive attitude and desire to be a part of growing a company
- Ability to use a smart phone or tablet for time tracking and reporting
- Strong communication skills with our team and clients

- IIABC Certified Irrigation Designer considered an asset
- HDP Certification considered an asset
- Ability to read, write and speak English is required due to communications with clients that is required on site, reading directions from clients on work orders, and adding required notes to paperwork for client's visibility.

Your perks to working with our team:

- Year- Round work!
- Extended health, dental benefits, life and long-term disability coverage
- Love gardening and plants? You get a discount on products in the garden centre
- A team based and collaborative environment
- Open door policy- our people are our most important asset so we love to listen and help however we can
- Paid training, growth, and professional development opportunities
- Openness to new and innovative ideas- if you have some great ideas, we want to hear them!
- Detailed onboarding and initial training to get you up to speed before your first day
- Do you care about the environment? Lyons is reducing our carbon footprint by reducing paper, and implementing technology and EV cars
- Employee referral program- takes a great person to know a great person!
- Work life balance- your family is important to us
- Frequent company celebrations, community events and awards ceremonies
- Mark's work warehouse discount

Salary: \$25.00-\$40.00 per hour
