

Looking for a REAL green job?

The Silent Gardener Ltd. is looking for team members to help us provide sustainable landscape maintenance without the use of gas powered gardening equipment. You'll use the latest high-tech electric tools and practice organic and biological pest control, working on properties around the Metro Vancouver area. Training will be provided for enthusiastic individuals who want to make a difference from the ground up.

Electric Landscaping Gardeners Wanted

We are looking for motivated, organized individuals ready to get to work in the green space.

Qualifications:

- Organized and highly motivated
- Enthusiastic and have good communication skills
- Strong Plant ID skills
- A good understanding of proper pruning practices
- Clean BC Drivers License preferred but not necessary
- Horticulture certification preferred.

Job Duties and Responsibilities:

- Ensuring all tasks are completed in a timely and detailed manner
- Ensuring that our customers are getting the best possible results from our service.
- Operating all forms of electric landscaping equipment

Why join us?

- 4 day or 5 day work week.
- Great company culture!
- Dental and Medical benefits plan after 3 month probation
- \$22/hr starting
- ITA Apprentice sponsorship for Landscape Gardeners and Arborist Technicians
